

No. 0516.3/ 5262

Department of Fisheries  
Kaset Klang, Chatuchak  
Bangkok 10900, Thailand

24 July B.E. 2563 (2020)

Dear Director, Benchmark Genetics USA, Inc.

**Subject: White shrimp brooders evaluation results**

With regard to the Department of Fisheries regulation; Clause 11 of Chapter 2 B.E. 2557 (2014), on the permission of any marine shrimp broodstock facility to export broodstock for breeding purpose into the Kingdom of Thailand, it requires a registration of the facility on the Department approval list. Upon the above – mentioned regulation, continuous maintenance of specific pathogen free including biosecurity practices and genetic improvement program of the facility will be inspected by the Department.

In this connection, kindly refer to the inspection of white shrimp brooder at Benchmark Genetics USA, Inc., 15369 County Road 512, Fellsmere, FL. 32948, a score of inspected broodstock facility is 94.36%. We would like to inform you that with the score of over 80%, your facility will be maintained in the approval list which will be valid for a period of two years since August , 1 2020.

Yours sincerely,

(Dr. Vicharn Ingsrisawang)

Deputy Director-General

For Director-General
